Applications for Grants for Research in the Field of Renal Diseases

(Leura Trask Trust Kidney Research Fund)

Closing date (**see website**)

The Council invites applications for grants in the field of renal diseases. Funds are available through grants to the Foundation from the Leura Trask Trust.

Applications in the prescribed format should reach the Secretary on or before the closing date shown above. The Research Advisory Committee meets shortly after this date to consider each proposal.

Applications received after the closing date are subject to exclusion.

K R Macdonald
Secretary

January 2007
